

## New “Devil’z Hide” Extensions Completed

Saint Charles, MO (MMP Publishing) January 29<sup>th</sup>, 2010 – MMP Publishing’s follow-up expansions titled, “The Disdain” and, “Rising” are reported to be complete.

New information on these upcoming titles and their availability (i.e. Kindle, Sony Reader; iPAD) shall begin to surface after February 2<sup>nd</sup>, 2010 along with other related updates.

It is reported that these titles will be carried over to an established North-American E-PUB distributor, making it easier for audiences who browse stores like Borders and Barnes and Noble to preview them.

About “Devil’z Hide”:

“Devil’z Hide” is the psychological/survival horror series developed by MMP Publishing (Kuneo Koei), inspired by the storytelling style of David Lynch and the aesthetic formulas of Silent Hill I and II (not the Chris Gans film). It as well contains a soundtrack (OST) element to serve enthusiast of industrial-orchestral and Japan styled horror cinema sounds.
